Overview

Description and Specifications:

The Department of Commerce and Economic Opportunity (DCEO) is giving notice of intent to award a sole economically feasible source contract to the Illinois Association of Community Action Associations for DCEO's Office of Community Services Block Grants/Emergency Solutions Grant Program to provide services in the form of on-site monitoring of the Emergency Solutions Grants Program to be in compliance with the US Dept. of Housing and Urban Development (HUD) requirements.

Some 80 individual grants, going back to program year 2010, need to be monitored on-site throughout the state in order to be in compliance with program regulations.

A hearing is scheduled for:

DATE: February 13, 2014

TIME: 2:00 p.m. Local Time

LOCATION: Chicago - James R. Thompson Center Suite 9-035 via video-conference with Springfield - Room 511 Stratton Office Building

A sole source contract will be awarded on that date and the hearing will be cancelled, unless an interested party submits a written request for a public hearing by noon on February 11, 2014.

If a public hearing is requested, the purchasing agency shall present testimony justifying the procurement method. Any interested party may present testimony for or against the sole source

determination as described in this notice. The purpose of the hearing will be to receive information from the public as to whether awarding by sole source is appropriate and in accordance with the Illinois Procurement Code. Formal rules of evidence will not apply. Hearing may be recorded in order to aid in production of minutes. Parties may submit written comment in lieu of attending the hearing. Written comments will be afforded the same weight as oral comments received at the hearing.

Interested parties wishing to submit comments or request a hearing must do so in writing and submit their requests to the Notice Contact. Request for a public hearing by an interested party or written comments shall be made by noon on February 11, 2014 to the Notice Contact:

Key Information

Notice Type:	Sole Economically Feasible Source
Notice Stage:	Notice of Intent
Notice Expiration Date:	02/13/2014 MM/DD/YYYY
Sole Source Only Justification:	<p>The Emergency Solutions Grants program is already threatening the sanction of all HUD programs throughout the State of Illinois due to the lack of monitoring. This situation exists because of lack of staff capacity. The DCEO will be working with Governor Quinn's Office to identify a remedy which will result in additional non-federal resources for the DCEO, moving the program to another state department or relinquishing the program back to the HUD due to lack of sufficient administrative funding. The time to do a solicitation, then provide necessary training will cause unnecessary delay which would be unacceptable to the HUD.</p> <p>The Illinois Association of Community Action Agencies (IACAA) has the experience and expertise to monitor the Emergency Solutions Grants program on behalf of the department. The IACAA has extensive experience in administering and monitoring federal, state and private funded programs. \$113,000 to conduct monitoring of 80 grant on-site monitoring is extremely reasonable. This equates to \$1,412.50 per monitoring visit.</p>
